WARRANTY

We guarantee, (TO OUR IMMEDIATE CUSTOMERS ONLY), for a period of five years from the date of manufacture, that under normal conditions, film formation or dust collection between the interior glass surface of insulated glass units by 24 HOUR THERMAL GLASS INSULATION LTD. will not occur.

This warranty will become void if units are not handled or installed in accordance with set Industry Standards, or are damaged in handling or installation. In addition, it will be void if the unit is subjected to stresses resulting from localized application of heat, which causes excessive temperature differentials over the glass surface or edges, or if strain is applied to the unit by movement of the building or by lack of provision for expansion or contraction of framing members, or by improper storage of the unit.

This warranty does not apply to cracked or broken units, customer's own glass, or inserts, or to replacement units beyond the original five-year period applying to the original unit.

24 Hour thermal glass Insulation Ltd., Is not responsible for warranties that its customer provides to subsequent customers or other end users of the product.

This warranty is only effective if goods have been paid for in full, according to the terms of sale. Any Warranty claims must be submitted in writing along with proof of purchase.

Our maximum liability under this warranty is limited to providing one replacement per claim. This Limited Warranty does not cover labour or any other replacement, installation, or fabrication costs.

***This warranty does not extend to car washes, pool enclosures etc.**
